What Do I Do When I'm Weary?

» Write down how you feel weary this week. Read Matthew 11:28-30. Pray: "Jesus, help me receive Your rest and carry only what you have given me today."

PRAYER

Dear Jesus, Thank you that we can come to you tonight knowing that you are gentle and lowly, ready to help us. This is good news because we admit we need you. We are often tired from caring for our loved ones and feel as though we have nothing left to give. But we know that you never get tired and you never run out of strength.

Take care of our loved ones and provide for all their health needs. Please give them friends and help those who care for them to treat them with dignity. For those who don't know you, would you open their hearts and save them. Your Holy Spirit is not limited by mental illness.

We trust you tonight for these things and we thank you for the reminders of your great love for us.

Amen
