Why Jesus Can Be Trusted

» Read Luke 9:22. Jesus' death and resurrection happened just as he said. Take a moment to remember that his faithfulness does not depend on how strong you feel today.

PRAYER

Lord, thank you for reminding us tonight that you are trustworthy and keep your promises. For a few moments we've been able to lift our eyes off our circumstances that seem to be more pressing and permanent than the truth of who you are. Could you please help us to remember that we can trust you tonight as we lay our heads on our pillows? Help us to trust you tomorrow morning when we wake up and the needs of the day press upon us. Help us when we are worn out by the suffering our loved one experiences and filled with grief and depression. Be our strength, Jesus. You endured the ultimate suffering; you did what you said you would do, so one day we can be with you, and never suffer again. We trust you and look forward to that day.

Amen
