Peace When Life is Not Peaceful

» Read Galatians 4:4-7. Write down one limit you hit this week.

» Look up the definition of “Abba,” then read verse 6 again. How does that definition help you know God better?

PRAYER

Jesus,

Some days we can wonder if you even see us. Especially when we are worn out from our loved ones’ needs that never end. This is a long road, and we get weary from all of the chaos. Would you help us to remember that you hold out loving arms to us, that you are a good and compassionate Father. Teach us to run to you when we’re afraid and feel like you don’t even see us, because that is not true. You sent your son so we could have everlasting peace. You have not forgotten us and never will. Thank you for your mercy and love. Help us to sleep peacefully tonight, confident of this truth.

Amen.
